

The Legal Practices Pathway teaches students about a variety of law including family law, torts, business law, product liability, criminal law, criminal defenses, and how to present a case in a mock trial setting.

Upon completion of the pathway students will be prepared for a full range opportunities in their pursuit of work and education. Students choosing to continue their education at the community college or university will be aware of special programs and majors educational institutions offer. Likewise, students choosing to begin their career will graduate with important job-seeking and workplace skills and an understanding of how to enter the industry with awareness of growth opportunities.

To sign up for the Legal Practices Pathway, contact your Canyon counselor today!

Legal Practices Pathway Course Descriptions:

Law and Order UC-G (02): In this college articulated class, students will learn a wide variety of law including family law, torts, business law, product liability, criminal law, criminal defenses and case presentation in a mock trial setting. This is a college articulated course.

Business Law (03): Students will learn the basic principles of law as it relates to business. Units of study include contracts, torts, product liability, real estate law, intellectual property, case analysis, ethics, court systems, as well as other related business law topics.

Professional Internship (03): Allows students to apply academic knowledge and demonstrate technical 21st-century skills in a workplace setting. Students will prepare job readiness documents and will interview at an assigned site before interning with a local Canyon Business Partner.

What is an Articulated College Course:

Students have the opportunity to earn college credit for courses completed in High School by satisfying requirements set in the agreements between Canyon HS and the affiliated junior college. For further information, please speak with the teacher of the articulated course.
