

The Sports Medicine Pathway introduces and prepares students for occupations involved in prevention, treatment, and management of injury & illness. It also focuses on the preservation of mental and physical well-being through the services offered by medical and allied health professions.

Students are able to intern with a Canyon Athletic Trainer for first hand practical experience applying skills learned in Sports Medicine I.

Students have the opportunity to earn college credit for Sports Medicine I with Orange Coast Community College and Irvine Valley College.

To sign up for a Sports Medicine Pathway course contact a Canyon counselor today!

@comanchessportsmedicine

“I highly recommend Sports Medicine to anyone interested in going into the medical field. It will give you relevant and necessary knowledge moving forward. You will also meet new people and make new friends, along with receiving instruction by an amazing teacher!”

V.M.

Sample Four-Year Plan

This represents a sample four-year plan sequencing the required classes to be a Sports Medicine Pathway completer. Students must complete a level 02 & 03 class to be a pathway completer and earn a tassel to wear at graduation. Students should work closely with their counselors to incorporate appropriate honors, IB and AP courses as well as other graduation and A-G required courses.

Course Type	9th Grade	10th Grade	11th Grade	12th Grade
Sports Medicine	Sports Medicine	Sports Medicine or Sports Medicine II	Sports Medicine II Internship	Professional Internship
A-G Approval	G College Prep Elective		G College Prep Elective	

Sports Medicine Pathway Course Descriptions:

Sports Medicine I UC-G (02): Prepares students for the Sports Medicine field through the study of anatomy, physiology, and bodily systems. Students expand scientific knowledge in the evaluation, assessment and care of injuries as well as preventative techniques and wellness. This is an articulate college class.

Sports Medicine II Internship (03): A competency based course preparing students for an entry-level job in sports medicine. Students are provided advanced classroom instruction by a Canyon Certified Athletic Trainer and have the opportunity to apply academic knowledge and demonstrate technical 21st century skills at Canyon athletic events. This is an articulate college class.

Professional Internship (03): Allows students to apply academic knowledge and 21st-century employability skills in a workplace setting. Students will prepare job readiness documents and interview at an assigned site before interning with a local Canyon Business Partner.

What is an Articulated College Course:

Students have the opportunity to earn college credit for courses completed in High School by satisfying requirements set in the agreements between Canyon HS and the affiliated junior college. For further information, please speak with the teacher of the articulated course.
