

# NATIONAL PTA<sup>®</sup> REFLECTIONS<sup>®</sup>

**Reflections is a program sponsored by  
your Local, State & National PTA's**

Each year, over 300,000 students in Pre-K through Grade 12 create original works of art in response to a student-selected theme. This 50+ year-old program helps students explore their own thoughts, feelings and ideas, allowing them to develop artistic literacy, love for learning, creativity and increased confidence. It also provides them an opportunity to be recognized for their talents not only locally, but potentially statewide and nationally.

Do you enjoy art, music or dance, or have an interest in writing, producing films or taking photos?
