

NATIONAL PTA® **REFLECTIONS®**

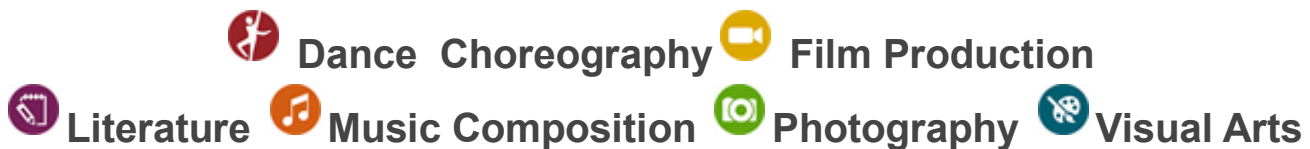

Reflections is a program sponsored by your Local, State & National PTA's. Each year, over 300,000 students in Pre-K through Grade 12 create original works of art in response to a student-selected theme. This 50+ year-old program helps students explore their own thoughts, feelings and ideas. Allowing them to develop artistic literacy, increase confidence, love for learning and creativity. Plus providing them an opportunity to be recognition for their talents not only locally, but potentially statewide and nationally.

Do you enjoy art, music and dance or have an interest in writing, producing films and taking photos?
