

College Readiness for the CSU

You have numerous opportunities to show readiness for college level math and English before attending the CSU. Demonstrating College Readiness will allow you to register for college level math and English in your first semester of college at any CSU or participating Community College! In most cases, it also allows you to avoid any remedial coursework in math and English. Help yourself to make a smooth transition into college and start on track!

Opportunities To Show College Readiness

EAP
EARLY ASSESSMENT PROGRAM

STANDARDIZED TESTS
